

Intended to showcase York University (Toronto, Canada) student research, *Revue **YOUR** Review* is an annual, refereed e-journal offering an opportunity for York University students to prepare a paper for publication. The journal is multidisciplinary, open-access, and bilingual: articles are published in English or in French.

*Revue **York Online Undergraduate Research Review*** is associated with York University's annual, multidisciplinary Undergraduate Research Fair. Articles are revised from top essays submitted for York University credit courses and accepted as poster presentations at the juried Research Fair. Submissions are reviewed by an Editorial Board comprised of York University faculty members, writing instructors, librarians, and students, and may also be sent to expert readers within the discipline. Together, the Research Fair and its associated e-journal offer students an educational experience in researching, writing, preparing an abstract, designing and presenting a poster session, and revising a paper for publication—all components in the cycle of scholarly knowledge production and dissemination. Author rights are governed by Creative Commons licensing.
